Just a little note about us;

At the I.V.F.P.A. we are all about loving the children in our care and caring for the families that love them. We offer support and training in the many areas needed to help insure that these wonderful children and young adults can be empowered and encouraged. We also give all our members and especially the children every opportunity for having fun. Every Christmas we have wonderful parties where the children can receive gifts and enjoy many fun activities, we also have giveaways and more when donations allow.

Our success is greatly because of all those who give faithfully and generously to our association and because of those who graciously volunteer their time and talents.

The I.V.F.P.A. graciously accepts donations beyond membership as well as donations of items such as; clothes, toys, household, personal hygiene items etc.

Your membership or gift of any amount can make a difference in a child's life, please join today!

Thank you for your generous support!
